

Hello,

My name is Mr Irfan and I am really looking forward to teaching you all next year! We will be in the best classroom in the school- it's right next to the kitchen! We are also next to the KS2 Hall, so it will be easy to remember where we are. This year things will be a little bit different. We will all have our own pencil cases (mine is a Pokémon one) and we will be sat in rows in our classroom. If you are worried about returning to school or coming to Year 3, I just want to let you know that you have my promise that this will be your best year so far! I will do my absolute best to make sure you have a brilliant year. Just ask anyone who was in my class! They will tell you that I am the funniest, kindest, handsomest teacher with a beard you will ever have.

Before I learn all about you, I will tell you all about me. I have been working at Albert Bradbeer for 3 years now. I have taught Year 3 all that time, so you could call me an expert in Year 3. I call myself an expert anyway. Before that I have worked as a teaching assistant and private tutor, and have taught children from Nursery all the way to Year 11. I like to read interesting books, watch interesting films, and eat interesting food. I own one of every console, from the SNES to the PS1, and all three current generation consoles. I am also in charge of Computing lessons at school, so if you have any questions about a game or how to use a website etc, just ask! My favourite subjects at school were English, History and Geography. I love writing stories and poetry, and I know a lot of interesting facts about all sorts of things.

I have 3 brothers, 2 sisters and 1 cat. I am the second oldest in my family. My youngest brother is in Year 7 and my youngest sister is in Year 3! The cat does not go to school.

When we return in September, our History topic will be Stone Age Britain! We will learn all about how early man survived through the Mesolithic period to today. In Geography we will be learning about the rivers and mountains of Great Britain.

I can't wait to see you all in September! Despite everything that is happening in the world, I promise to make this a great year for you.

See you soon!

Mr Irfan
